# ABOUT ASISH

Asish Datta is a Certified Professional Coach from the ICF accredited Coach Transformation Academy (CTA), and IATD certified Self-Leadership Architect with a rich professional experience of over three decades, helping individuals and businesses attain maximum effectiveness. He conducts customized workshops to align and develop Manager-level and Senior Management teams of organizations to help them achieve their vision collaboratively and effectively. Asish is also a Passionpreneur. The very essence of his workshop and program is to strengthen the organization's foundation through a structured process and framework. It primarily focuses on self-realization, accountability, potential maximization, and building performance-driven culture. He strongly believes, "There is no Life without Leadership" and his mission is to maximize profitable growth for both individuals and businesses through Self Leadership principles. His core lies in his methods of developing practical and realistic action plans and processes that help to gauge the real ground-level challenges easily and deal with them with confidence and maturity.
